

Vehicle Safety and Standards

NOTICE

To All Designated Inspection Facilities and Authorized Inspectors

Re: REPEAL of Bulletins and Compliance Circulars for Brake Inspection Guidelines

The following list of Bulletins and Compliance circulars issued by Commercial Vehicle Safety and Enforcement (CVSE) are hereby repealed effective immediately:

1. **Compliance Circular No. 1 dated January 05, 2004**
SUBJECT: Internal Brake Inspection Procedures
2. **Compliance Circular No. 2 dated May 01, 2004**
SUBJECT: Internal Brake Inspection Procedures
3. **Bulletin #01/03 dated October 09, 2003**
Re: Vehicle Inspection Manual Hydraulic and Air Brake Internal Inspections
4. **Bulletin #01/04 dated January 05, 2004**
Re: Air Brake Internal Brake Inspections – General Instructions
5. **Bulletin #01/04 dated January 05, 2004**
Re: Hydraulic Brake Internal Brake Inspections – General Instructions
6. **Bulletin #01/04 dated May 01, 2004**
Re: Electric Brake / Hydraulic Brake Internal Brake Inspections – General Instructions

Authorized Inspectors are reminded that all brake inspections must be completed as per the standards contained in the Vehicle Inspection Manual and in accordance with *Motor Vehicle Act Regulation Division 25*. Authorized Inspectors must be satisfied that ALL vehicle components meet applicable standards prior to any issuance of a certificate of approval (decal).

Should any further information be required, please contact your local CVSE Area Vehicle Inspector http://www.th.gov.bc.ca/cvse/vehicle_inspections/PDF/MVI_Phone_List.pdf or Brian Kangas, Program Coordinator, Vehicle Safety & Standards at brian.kangas@gov.bc.ca or (250) 953 4008.

Regards,

Perry Dennis, A/ Director
Commercial Vehicle Safety & Enforcement Branch
Ministry of Transportation & Infrastructure
