

**2003 – 2004 Highway Maintenance Contracts  
Frequently Asked Questions**

**Last Update January 29, 2004**

**Service Area 01 - South Island**

- Q1. Mowing (machine) is in SSK units, what is that? Is it single pass shoulder km?
- A. As referenced in Chapter 4-350, section 3.2, a shoulder Swath Km (ssk) is equal to 1 swath 1.8 metres wide by 1,000 metres long, and 1 hectare is equal to 5.5 ssk.**
- Q2. SA01 has no identified quantities for "Isolated" items, I take it there are no Isolated areas in this area, where in the documents is this confirmed or stated?
- A. Amendment # 3 will be issued to the RFP today with a revised quantities list.**
