- Q1. Further to the latest FAQ posted on Oct 17, 2003 regarding Texada Island BCBC yard: Will the successful contractor be obligated to lease the yard eventually owned by Emcon and for what annual lease rate? As much as the yard purchase is being finalized between Emcon and BCBC, proponents need to make allowance in their bids prior to RFP closing on Oct. 31, 2003.
- A. **There is no commitment by MoT to Emcon to have a contractor use this yard. If contractors want to use this yard they can contact Emcon directly. It is expected Emcon will take ownership of this yard from BCBC October 31, 2003 or shortly thereafter.**
