Q1. Your response on the FAQ regarding Madeira Park yard suggested that a portion of the yard is available to proponents at \$0 and the agreement could be found in the Sechelt Lease/Sublease agreement in Schedule A. We found no reference to Madeira Park yard at all in the document. Please clarify.

A. An earlier version of the Lease/Sub Lease Agreement for Sechelt which had a term of 5 years and in this case did not include the Madeira Yard is what was posted in the RFP. The new 10 year Lease/Sub Lease Agreement does include the Madeira Yard in Schedule A, it will be included in an amendment to the RFP.
