Service Area 07 (Fraser Valley)

- Q1. In Chapter 1-130 Gravel Surface Grading and Reshape it states: “There is no routine maintenance required.” “Surface grading is a quantified item”. There is “0” Rd. Km. required in the target level of Quantified Maintenance Services. Is this an error in the RFP?
- A. **Amendment # 3 has been issued to the RFP to include an amount of 50 Rd Km for gravel surface grading.**
