

**2003 – 2004 Highway Maintenance Contracts  
Frequently Asked Questions**

**Last Update November 17, 2003**

**Service Area 10 (Central Kootenay)**

Q1. What is the status of the Lardeau Yard?

**A. The Lardeau Yard is being replaced with a combination salt / equipment storage shed in Cooper Creek Pit approximately 6 kilometres North of Lardeau. The intent is to give the Lardeau maintenance yard back to BCBC and not use it in the future.**

Q2. Just to be clear, are there 11 or 12 maintenance yards in Service Area 10? Which are BCBC and which are owned by the current maintenance contractor?

**A. Below is the full listing of existing maintenance yards in Service Area 10:**

**Crawford Bay – VSA lease**

**Creston – VSA lease**

**Creston (102 Collis Street – Boneyard – Salt Shed and Winter sand stockpile site) – BCBC lease**

**Kaslo – VSA lease**

**Nakusp – VSA lease**

**New Denver – VSA lease**

**Salmo – VSA lease**

**Winlaw – VSA lease**
