ABOUT THE PTA APPLICATION PROCESS:

When do I need to file a PTA application?

File a PTA each time you want to take a vehicle out of service and replace it with another vehicle. Before you can move the plate, you need a Vehicle Identification Certificate (VIC) for the replacement vehicle. The vehicle registration or VIN number on the VIC must match the replacement vehicle.

What is the cost for a PTA?

There will be a \$50 fee (Canadian Funds) for each application. If using a credit card, do not send your credit card information with your application. Branch staff will call and request your credit card information and authorization when we receive your application.

What happens after I file my PTA?

Branch staff will process the application fee and review your application. If the application and supporting vehicle documents are complete and correct, you will receive a VIC showing the vehicle registration or VIN number of the replacement vehicle. Move the plate from the OLD vehicle and mount it on the NEW vehicle and carry the VIC in the NEW vehicle.

TIPS FOR COMPLETING YOUR PTA APPLICATION:

Follow these guidelines to ensure all required information is included:

Submit a separate application form for each vehicle.

Send replacement vehicle documents with your application form:
