In the PT Branch's office, the **Registrar** accepts all applications (including those which require Board approval), verifies safety requirements for vehicles proposed for licensing and issues all licences. The Registrar is also responsible for initiating compliance and enforcement actions against both licensed and unlicensed operators. Registrar *Rules of Practice and Procedure* can be viewed on the Registrar's website at <http://www.th.gov.bc.ca/rpt/> or a copy can be requested from the PT Branch.

Roles and Responsibilities (cont'd)

Important Applicant Advisory

The filing of an application does not confer any permission or authority to operate a passenger transportation service.

Applicants are advised to delay the purchase, lease or rental of vehicles until approval is obtained from the Passenger Transportation Board.

Before a licence can be issued, the PT Branch will contact applicants and request the required vehicle documents and identifier (plate and decal) fees.

The Registrar of Passenger Transportation (Registrar) must then be satisfied that a vehicle has met safety requirements before it can be operated as a commercial passenger vehicle.

In British Columbia, commercial passenger vehicles must be in compliance with provincial regulations as specified under Section 29 (Special Authorization) of the *Passenger Transportation Act* which can be viewed on the Registrar's website at:

http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/00_04039_01.

Division 10 of the provincial Motor Vehicle Act Regulation (MVAR) sets out the regulations governing commercial passenger vehicles and requires compliance with Canada Motor Vehicle Safety Standards (CMVSS) under the mandate of Transport Canada.

Prior to the purchase, lease or rental of vehicles, applicants are advised to learn about provincial and federal regulations for commercial passenger vehicles.

The *Commercial Vehicle Safety & Importation Information Sheet* (Form PTR 5005A) is available on the Registrar's website at <http://www.th.gov.bc.ca/rpt/> or by request at the PT Branch.

MVAR Division 10 can be viewed in full on the Commercial Vehicle Safety and Enforcement (CVSE) Branch website at:

http://www.th.gov.bc.ca/cvse/safety_and_standards.htm.

Vehicle Safety and Standards Notices and Bulletins are also posted on this website.

If you have questions regarding CMVSS compliance standards you can contact the CVSE Branch at:

Registrar of Passenger Transportation Issues Licences

The Registrar must issue a licence before the service that the Board has approved can start.

Annual Renewal of Licences (Registrar)

If a Special Authorization licence is approved, and issued, it is valid for one year from the date of issue unless otherwise specified by the Passenger Transportation Board. Renewals are under the authority of the Registrar of Passenger Transportation. The annual licence renewal fee is \$100 for each Special Authorization licensed vehicle.

If a licence is not renewed the licence expires. If the licence expires, any pending application(s) associated with that licence will also expire.

Licensees with Special Authorization who fail to renew their licence within the time specified under the *Passenger Transportation Act* must re-apply for a licence. This means that they must cease their passenger transportation service and submit an application for a new licence which will require approval from the Passenger Transportation Board. An application filing fee of \$200 will apply. In deciding whether or not to approve an application, the Board will consider public need for the service, applicant fitness and sound economic conditions in the transportation industry.
