ABOUT THE SUBSTITUTE VEHICLE TOP APPLICATION PROCESS:

When do I need to file an application for a substitute vehicle TOP?

File a substitute vehicle TOP application when you want to temporarily replace a vehicle in your fleet that cannot operate due to a mechanical breakdown and/or accident related damage (damaged vehicle must have a current, valid plat & decal).

What is the cost for a substitute vehicle TOP?

The non-refundable application fee is payable to the Minister of Finance in Canadian funds only:

<u>TOP Duration</u>	<u>TOP Application Fee</u>
1 – 14 days	\$25 for <i>each</i> vehicle requested
15 – 30 days	\$50 for <i>each</i> vehicle requested
31 – 60 days	\$75 for <i>each</i> vehicle requested
61 – 92 days	\$100 for <i>each</i> vehicle requested

If using a credit card, do not send your credit card information with your application. Branch staff will call and request your credit card information and authorization when we receive your application.

How long will it take to process my substitute vehicle TOP application?

The processing timeline for a TOP is between 1 and 3 business days. Actual processing timelines may vary depending on Passenger Transportation Branch workload volumes at the time of receipt. Estimated timelines are based on the assumption that the application is received at the Branch along with all the required supporting information and/or documentation.

What happens when I submit my substitute vehicle TOP application?

- TOP application materials are sent to the Passenger Transportation (PT) Branch and are processed during business hours – Monday through Friday, excluding statutory holidays, between 08:30 and 16:30 hours.
- The Registrar makes decisions to approve or refuse substitute vehicle TOP applications. Branch staff will notify applicants of the application decision.

If my TOP application is approved, what happens next?

- Branch staff will contact you to request the required vehicle documents. After all safety requirements are met your TOP will be sent to you.
- Before operating the substitute (NEW) vehicle, remove the plate & decal from the OLD vehicle, mount it on the NEW vehicle and carry the Vehicle Identification Certificate (VIC) in the NEW vehicle along with a copy of the TOP and your current Passenger Transportation Licence.

The Passenger Transportation Act and Regulation apply to holders of passenger transportation licences and TOPs.

A person commits an offence if he or she does not carry a valid copy of the TOP in the vehicle while it is being operated as a commercial passenger vehicle.

- **After the TOP expires**, the licensee must return the plate & decal and VIC to the original vehicle. If a permanent replacement vehicle is needed the licensee must submit the [Move Plate to Alternate \(PTA\) Vehicle](#) (PTR 5019) application (forms are available on the Registrar's website at <http://www.th.gov.bc.ca/forms/results.aspx?group=21>).

TIPS FOR COMPLETING YOUR SUBSTITUTE VEHICLE TOP APPLICATION:

Follow these guidelines to ensure you have included all the required documents and information:

Submit a separate application form for each vehicle.

If the plate & decal and VIC are not available (*i.e. impounded/towed with the break-down vehicle*), the Licensee must check the appropriate box in the "Plate & Decal and Vehicle Information" section of the application form.
