

South Fraser Perimeter Road PROJECT

Full Closure Traffic Advisory

Issued December 24, 2010

Closure of 116th Avenue at King Road

On Monday, January 24, 2011, as part of the ongoing South Fraser Perimeter Road Project, 116th Avenue at the intersection to King Road will be permanently closed. Traffic along King Road will be unaffected. Concrete roadside barriers will be erected to permanently close 116th Avenue at King Road.

Alternate Routes

Traffic should use 115th Avenue and 136th Street to access the area.

A key goal of the South Fraser Perimeter Road Project is to manage traffic flow during construction to ensure predictable travel times and minimize disruption for commuters, goods movers, residents, marine users and cyclists. If you have any questions please use the contact information below:
