Bulletin

February 9, 2005

The *Passenger Transportation Board Bulletin* is published weekly on the web site of the Passenger Transportation Board. Printed copies are available directly from the Passenger Transportation Board at the address above.

The *PT Board Bulletin* gives notice of the applications for special authorization that have been received by the Board, the determinations the Board makes on those applications, as well as appeals from enforcement orders of the Registrar of Passenger Transportation. Board Advisories may also be published in the *PT Board Bulletin* to update the public and commercial passenger transportation industry of Board initiatives and rules.

Part 1: Applications Received

The Passenger Transportation Act requires the Board to consider applications in light of the following considerations:

- whether there is a public need for the service the applicant proposes to provide under any special authorization;*

- whether the application, if granted, would promote sound economic conditions in the passenger transportation business in British Columbia.*
