

Passenger  
Transportation Board  
**Bulletin**

March 2, 2005

The *Passenger Transportation Board Bulletin* is published weekly on the web site of the Passenger Transportation Board. Printed copies are available directly from the Passenger Transportation Board at the address above.

The *PT Board Bulletin* gives notice of the applications for special authorization that have been received by the Board, the determinations the Board makes on those applications, as well as appeals from enforcement orders of the Registrar of Passenger Transportation. Board Advisories may also be published in the *PT Board Bulletin* to update the public and commercial passenger transportation industry of Board initiatives and rules.

- Date:** March 2, 2005
- Subject:** ***Deadline for Installing  
Lower Mainland Taxi Cameras***
- Advisory:** The Board has extended the deadline for 27 Lower Mainland taxi companies (with more than 960 taxicabs) to have a taxi camera installed in each of their vehicles. The extension is largely due to there being a limited number of certified taxi camera installers in the Lower Mainland. The deadline of February 28, 2005, has been extended to June 15, 2005.
- Reference:** A copy of the Board's rule that establishes this extension is posted at the Board web site at [www.ptboard.bc.ca](http://www.ptboard.bc.ca).
