2011–2012 PDV Fleet Size Review Outcomes

The Board conducted PDV fleet size reviews in follow up to 12 reviews that started as early as October 2010. These reviews have concluded. PDV fleet reviews are conducted under section 31(4) of the Passenger Transportation Act.

PDV fleet reviews are limited to licensees with passenger directed vehicles (“PDVs”) that have been operating below the maximum allowable fleet size for at least 2 consecutive years. Reviews are specific to a licensee. When a review is conducted, the maximum fleet size may remain unchanged, or the Board may reduce the maximum fleet size to reflect actual or planned levels of operation. With the latest reviews, the Board reduced the maximum fleet size of 5 licensees. They are listed below. For more information, see the [PDV Fleet Review webpage](#).
