**Program Contacts:**

The General Manager for each licence holder may be contacted about the taxi camera program. Some taxi companies may have a designated taxi camera contact who is not the General Manager.

A list of taxi companies are listed in Appendix A of the Board rule, *Mandatory Use of Taxi Cameras in the Lower Mainland*.

A list of taxi company phone numbers is available [here](http://www.ptboard.bc.ca/cameras.htm).

**Effective Date:** November 4, 2008

Taxi camera equipment may only be installed and operated in vehicles when the licensee is in compliance with applicable taxi camera rules, standards and orders of the Passenger Transportation Board.

This local taxi camera program is established for driver and passenger safety. To protect the privacy of drivers and passengers, only the local police agencies have authorization, tools and passwords that are needed to access taxi camera images.

More information about taxi camera programs and requirements is posted at: [http://www.ptboard.bc.ca/cameras.htm](http://www.ptboard.bc.ca/cameras.htm).
