Attention Stakeholders:

Re: WorkSafe BC Proposed Amendments to the Occupational Health and Safety Regulations.

WorkSafe BC has released its 2008 Proposed Amendments to the Occupational Health and Safety Regulation, for consultation. Of the proposed amendments, two may affect the transportation industry:

- Part 16, Mobile Equipment, dealing with seat requirements and rider restrictions, and
- Part 17; Transportation of Workers, where the primary change is a requirement for seats and seatbelts for all workers.

WorkSafe BC is asking for written feedback from the public and has announced a public hearing for January 22, 2007. For complete information regarding all of the proposed amendments and the consultation process, please visit:
