

Submit this application to the Ministry of Transportation and Infrastructure District Office in your area.

A. PROPOSAL This is an application for preliminary layout review for all properties involved

Form with fields for Applicant File Number, Ministry File Number, Subdivision Type, Full Legal Description(s) per State of Title Certificate(s), Full Civic Address, Property Location, Surrounding Land Use, Proposed Sewage Disposal, Proposed Water Supply, and Water Licenses.

B. APPLICATION INFORMATION Incomplete applications will not be accepted

Required items include:

- Subdivision application form.
The Preliminary Subdivision Application fee. Please make cheques payable to the Minister of Finance. (see page 2)
An authorization letter from the owner(s) if someone else is applying on the owner's behalf. (Permission to Act as an Agent H1275)
A copy of BC Assessment Authority Property Assessment Notice showing property tax classification.
All new lots MAY require a sewage report—please contact your local Transportation office for clarification.
One copy of the current State of Title Certificate so that property encumbrances can be checked.
Copies of any covenants, easements, rights-of-way or other charges registered against the title. These are available through the Land Title Office.
A copy of Contaminated Sites Profile form or Contaminated Sites declaration statement, duly completed and signed.
Original copy and a .PDF file of a scaleable sketch plan of proposed layout with metric dimensions.

Properly engineered drawings will be required for final approval. The sketch must contain:

- the date it was drawn
the scale
north arrow
legal description of the property being subdivided, and its adjacent properties
outline of the subdivision in heavy black line
all proposed lots, remainders, parks, rights-of-way, easements and roads showing metric dimensions and areas
any existing property lines or roads proposed to be removed, closed or relocated
all steep banks or slopes exceeding 2 m high and all slopes of 25% or greater, within or adjacent to the proposal area
location of existing buildings and structures, wells and sewage disposal fields on the property, as well as adjacent properties within 30 m of property boundaries
location of any onsite water sources to be developed (wells, surface)
approximate location of all existing and proposed utility services
existing access roads and other roads and trails on the property (state names of roads)
location of all water courses (seasonal or otherwise) and water bodies

Include these items as well, where applicable

- A copy of the Provincial Agricultural Land Commission application (if located within ALR). While a developer can apply for subdivision approval before he or she receives permission to proceed from the Agricultural Land Commission or the local government if it has been delegated the authority, the Provincial Approving Officer can only give approval if the property has cleared the Land Commission process in the meantime.
One copy of any test required by the Regional Health Authority.
A Development Permit and plan where applicable.
