

1. This is an agreement pursuant to Division 12 of the Commercial Transport Act Regulations between

Carrier Name

and the Ministry of Transportation and Transit (MoTT) whereby it is established that commercial vehicle fees will be waived providing conditions herein are strictly adhered to by the applicant.

2. This agreement and conditions listed hereunder are valid for non-resident commercial vehicles:
 - a) entering the Province of British Columbia to have repairs and/or services performed on them and subsequent return out of the Province upon completion, and
 - b) to obtain repairs and/or services only from established facilities at:

Name of Repair Facility

Address

- c) that are unladen only, with absolutely no payload to be carried, and
- d) that have complied with the registration, licence and insurance requirements of their home jurisdiction (All required documents and/or plates to be carried and/or displayed appropriately), and
- e) whose registered owners have filed for proof of financial responsibility with the Province of British Columbia or paid the Non-Resident Commercial Vehicle Permit insurance premiums, and
- f) if bringing motive fuel into the Province of British Columbia in a supply tank of the commercial motor vehicle shall purchase a motive fuel user permit.
