

Collection Notice

The Ministry of Transportation and Infrastructure will be capturing images of provincial infrastructure for the purpose of evaluating ministry highways, evaluating maintenance and construction activities and results, project status, and incident data collection and reporting. During this process, there is a possibility that your personal information may be inadvertently collected under sections 26(c) and 26(e) of the Freedom of Information and Protection of Privacy Act (FOIPPA). Should you have any questions about the collection of this personal information, please contact:
