ROTARY WING TARIFF RATES

Provide a Tariff Rate per aircraft in Canadian dollars, which will include duty, contingencies, lubricants, mandatory minimum equipment, and taxes paid or payable by a contractor to their supplier during the performance of services, but shall exclude fuel, travel expenses, Goods and Services Tax (GST) and any applicable Provincial Sales Tax (PST) that is required to be charged to the Province as a taxable transaction.

Aircraft Type	Aircraft Registration	Fuel Burn Rates (L/HOUR)	Tariff Rates ($/FLIGHT HOUR)

The undersigned respondent having full knowledge and understanding of the Tariff Rates hereby certifies that the rates have:

- been arrived at independent of any other Respondent;
- not been knowingly disclosed by the Respondent, and will not be disclosed by the Respondent prior tosubmission of a response, directly or indirectly, to any other agency; and
- that no attempt, nor any attempt will be made, to induce any other person to submit, or not to submit, a response, for the purpose of restricting competition.

Non-compliance with the requirements of this certification will result in disqualification.
